SPECIAL EDITION !!

OCTOBER POINTSCORE *Photos by Dave Milne*

Greetings Members and Guests!

One more newsletter for November! I just saw Dave's photos from October, and man, they are awesome! I won't get in the way, just share them with you! Don't forget, Dave is happy to sell them, these are just low resolution copies, so don't hold back, talk to him about the original photos, I am sure he would be pleased to do some business!

I have often thought how lucky we are to have him consistently shooting our comps, with such an eye for the right moment! Thanks Dave, from all of us!

Anyway, without further ado, I hope you enjoy this selection.

Hoo Roo for now!
