# DEAR LEADER'S MESSAGE- WINTER CLASSIC EDITION

Dear Members and Guests!

For a day that turned out SO well, the lead-up to it had us on edge with days of sunny but very flat conditions....

The Committee got busier and busier, seeing more and more balls we were juggling that just needed a bit of attention. Scriney getting fitted out in his top hat, sequined dinner jacket, jodhpurs, riding boots and a riding crop as Ring Master. In the background, constant review of forecasts, any casts, as the days counted down... then a 'nice' text from Scotty on Friday morning- 'I'm glad I'm not the President Ha Ha' yes, Friday was flat, not just flat but really windy!

I think I channeled the committee's anxiety (they were confident on the outside!) and ran various scenarios for the next morning, when we'd need to make the call, in the dark... easy!!

Tell you what though, Huey delivered!!! If you weren't there, check out Dave's pics – it was pretty extraordinary – a real groundswell that ran all day, offshore, varying from nice 2 foot to really nice 5 foot (I have an image of Nick Ferderer carving on a big left, got a little barrel, reo to finish, yeah it was that good!)

Boy, smiles all around, and talk about relief for your Dear Leader! The set up crew was first class as always – I'm always so blown away to see other nutters at the beach in

the cold and dark! Thank you all who were there.

We set up the same as last year – 'The Scriney L' layout we are calling it! Regos got underway straight away (thank you Youngie and Janne), first heat in the water at 6.45 on time – Laybackers nailed it again! Tyse and the coffee! Oh yes, we had great coffee – we are getting famous for it! Thank you! They went out the door so to speak, along with the baked goodies of our Layback Bakers Guild! Thank you all!

And then there was Peter and Mariethe! The BBQ got cracking. Brekkies first, and then the pulled pork smoker! Atmosphere to draw those needing a feed of that style – and there were plenty, all gone at the end I understand- perfect! Andrew Wilson on the mike with his radio voice keeping the day moving and sponsors names top of mind, Scotty and Napper keeping tabs on the judges tent as we were dealing with some awesome surfers at times all scoring on waves that just kept coming.

We always do our best to be totally fair in our scoring – this is a serious comp and we take it just a seriously!

I love seeing riders from other clubs competing- we are such a strong club that its good to see it tested, and again, thank you Huey, the waves were superb. Bellambi wally rights, the left firing for some of the heats- about as good as you see it. Hey, check the results, strong we are! Yeeessss!

Great to see our sponsors represented – the Carabine tent with all those shiny lovely logs and Shane kicking back all day. The brothers Seeker – Curtis and Jeff – yes we had both of them! Curtis came early, Jeff followed on. They cracked the Seeker esky pretty early (1ish) while there were still serious contenders not wanting to fog their reflexes, and plenty of contenders who had been knocked out who really did want to fog their reflexes. They went through 8 cases!

Tyse was there early for Delano, a bit on edge wanting to make sure the coffee tent ran professionally. It did thanks to him and the barista for the day, as well as Scriney and Janne, and others who very generously pitched in.

Leon from Mars turned up as promised with two ice cold kegs, and as the crowd gathered and excitement grew towards the finals, there were a lot of very thirsty folks who appreciated the delicious dark and pale ales he brought.

The always very generous Dave Byrne again contributed a swag of Hydroflask goodies both for the Ladies division and the raffle – thank you again Dave!

The raffle gathered the crowd as an entrée to the presentation – some very happy campers! We had a good load of top quality gear to win including Mars brewing kit, O&E gear, FCS leggies, a ukelele from Pipers Music (thank you Rich and Lee).

The presentation of these hard fought awards proceeded with the added bonus of 4 of our sponsors presenting their named divisions – Shane for The Carabine Open, Dave B for the Ladies, Jeff for the Twin Fins, and Tyse for the Delano over 60s – a big thank you to our sponsors and friends!

What a grand day of surf it was! The sun set over the escarpment, the last beers were enjoyed, new and old friends shared some more tales, Laybackers stepped up again and packed down, and we drifted off...for some of us to regather at Bellambi Hotel for the after party. The vibe was very clear- that the 2023 Winter Classic was a great success!

## NAPPER'S SHED: 90S SURF MOVIE NIGHT

---

Once again us Laybackers have the Nappers to thank for welcoming us all into their home for the BIG FILM FIRE BEER AND PIZZA NIGHT! Last time was in 2018 after the Winter Classic that year, and we did the club proud again!

It was the perfect surf party – a welcoming fire for the Winter night, continuous surf movies and soundtracks, lots of stories and laughs shared, Layback merch on display, lots of keg beer from the very generous Leon from Mars, plus some pre-packaged wine and bubbly, AND a surfboard was created! Well a blank was shaped, which was a very brave move considering the aforementioned beer volumes. Kris was determined, with Scotty helping and seeking to steer him away from the saw, and just too focussed to stop – and Napper has all the gear to make it happen!

These kind of nights are really important for the club and show the depth of our family connections and shared passions...we had a ball! We hope to do another in 2024 (if the Nappers especially Sian, Molly, Pippa, and Elsie are generous enough and the memory of this year's event is positive!) so I encourage you all to join us next time. We really appreciate just hanging out with you Laybackers, without a comp to run!

Hoo Roo for now, and see you this Sunday!

Andy (DL)
