# DEAR LEADER'S MESSAGE AND CRESCENT HEAD

Dear Members and Guests!

Dear Members and Guests,  
I'm writing this from the front of our tent,  
on our creek side site at Crescent Head  
Campground! Pretty cool to say the least,  
sound of the waves at the beach, dark  
forest on the north side, and stars  
overhead... what a treat!

## CRESCENT HEAD

The National Old Mal competition has just  
been held (Friday the 8th to Sunday  
10th of September) and we have stayed on  
for a few days, and so has the swell.  
Bless Huey!

The action got underway on Friday in  
absolutely atrocious conditions of howling  
on shore and a weird peaky combo of a  
swell, big enough to make trouble, and a  
powerful oceanwards rip next to the jump  
off point. Several people came to  
grief, no one was happy in it, and seasoned  
competitors were saying it was the  
worst they had ever seen. At around 10.30  
the day was cancelled, and the  
draw had to be rejigged for the rest of the  
comp with some shortened heats.  
The good news was that a big southerly  
change came through with not only icy  
winds and ocean temp, but offshore and a  
small regular swell, enough to let all  
the twinkling of toes happen that you get  
when you get this calibre of surfer  
together.

That swell hung in for the rest of the comp,  
and actually got a bit bigger, wind  
stayed southerly, water warmed up, and all  
was well with the world!

And Lo, the Laybackers Sallied Forth and  
Shone!! Every (important) final had at  
least one Laybacker, one had 3 – and they  
won 1, 2, 3! It was something to see.  
We had set up camp on Saturday night and  
joined in the festivities of what is  
traditionally a BIG night. Next day, Sunday,  
we joined the Layback cheer squad  
on the point and watched all the finals –  
some brilliant surfing on this classy  
right hand point wave – quite close from  
the grass – what a spot!

The presso followed with all those lovely  
trophies lined up for a new home, and  
we were stoked to see our mates in final  
group after final group! Well done to all  
our Laybackers who were competitors in  
this significant competition loaded  
with talent. Fantastic, good on you all!

I lost track of some key members later on Sunday arvo – Scotty, Killer and Tommy B – apparently they were walking past the pub and had to call in to use the facilities, and stayed all afternoon and into the evening, until they returned to Layback Alley in the caravan Park (Scotty, Nappers, Kris and Janne, Killer’s campsites) expressing their heartfelt good cheer in the weekend, quite loudly...

Layback numbers dropped after the early (excellent) surf on Monday morning, then more after the early (excellent) surf on Tuesday, and today, the Nappers left after another early, with bigger excellent surf! Damo and I are the last of the gang, leaving tomorrow after another (hopefully) excellent surf!

## **AUGUST POINTSCORE**

I think Dave’s pictures count a thousand of my words for the August PS. The weather was very variable and cool. I had forgotten about how good the waves became at times until I checked out Dave’s record of the day- wow, we scored again!

Thank you again to all who pitched in- Mark stepped in for Peter W on the barbie, with his dicky knees! We had head judging from Scotty and Napper to help the judges where needed, Baz on the tallying, and Andrew W sorting the heats. Thank you!

## **THE RAFFLE**

We handed out the raffle tickets, one of the club’s big earners to pay for all the benefits we enjoy so really important to our finances- please sell / buy yours so you can win! And the club can too!!

If you didn’t get yours please let us know – Damo had the stash of unclaimed books and we would be happy to hand them out. A couple of weekends ago some dedicated committee members drove around distributing them, and the draw is coming up fast! October Club Championships!

## **COMMITTEE 2024**

Please consider contributing to this marvelous club by putting your hand up to take part in the committee. We will even supply you with a uniform!! Seriously though, every year we have committee members who move on and we need new blood! Let one of the committee know you’d like to pitch in, it is always only as much as you are comfortable with.

## **SIGN ON AT POINTSCORES**

Our Pointscores take a fair bit of organising both in having enough help to set up so we hit the water by 7am, and in the creation of the heat draw. Sign on has to be by 6.45 so the day can be run on time and fairly for everyone. Please commit to the day and your mates by being there by the sign on time, unless there is a good reason.

## **SECOND ROUNDS**

If you can’t stay for the second round of your division please let Andrew W know. We can’t organise the afternoon without knowing how many heats we are to run, and we can’t have heats with only a couple of surfers in them - this is a VERY popular surfing spot, and we are privileged to call it our own and take it over for comps.

Its not fair to free surfers for us to occupy the break, only have a couple of people in the heats because the others pulled out of their second round and didn't tell us.

### **CLUB CHAMPIONSHIPS**

Yes, they are nearly upon us – only 3 weeks after our next Pointscore! We will have all our normal divisions so this is your chance to be legends within you own lunchboxes!! We will have food, trophies, festivities, music, laughter, and yes, surfing!

### **THE TRAILER!**

We have a new trailer – Bryce picked it up last week and has taken it to his farm to see

last week and has taken it to his farm to see if his horses will fit. They won't- I told him! It is still a good size for our PS gear, but should be easier to manage and move. Thank you to Bryce for his help over the last year we have been looking!

We will be selling the old trailer once we have transferred the gear to the new one so if you or anyone you know is interested in this well made double axle trailer, please let us know. We will be putting on the market.

Phew... its getting cold in front of the tent, so I'll leave it there..

See you on Sunday!

Andy (DL)

## COMMUNITY NOTICE

---

Jody Wentworth Perry (Mrs Darcy) and I are regular blood donors. We were recently at the blood bank in Wollongong, we noticed that they were looking for ways to promote the service and increase the donation rate by using community groups.

You may be aware there are several Layback members who donate. We are in a donation group with the blood bank.

I picked up some promotional material see pic attached. Scanning the QR code will give lots of info and a link to making an appointment if people are interested.

As we have new members it would be good to highlight this is something the Club is involved in (if only a few people at the moment) and bring awareness to what such a simple action by one person can do for so many.
