## PRESIDENT'S MESSAGE

Greetings Laybackers, and welcome to our 2024 season!

I haven't had a chance to do a report for you this year as I missed the rescheduled February Pointscore being away on my boat, soaking up what I like to call the 'Festival of Andy' – a week to a month of time around my birthday each year where I celebrate the fact I am still alive, kicking, and surfing!

The older you get, the more meaningful these birthdays are – 66 this year – 'get yo kicks, on Route 66' as the Stones would say. Thank you Scriney for writing the report of that Pointscore.

The March Pointscore day was another of these gorgeous summer early mornings. Little wind, sun about to rise, and almost no surf! A quick zip around to Easties with Damo revealed more swell, but no real shape. So it was back to Bellza.

Luckily it was another of those days where the waves went from zero to hero (ish) while our heats rolled on – as Dave's pics show, and also the ones from Kris' water angle – thank you Dave and Kris!

Water was just a delight, no need for rubber, and the reef delivered very contestable waves for the entire first round, other than for the last couple of heats when the onshore that had been predicted actually kicked in.

A second round wouldn't have been much fun, and in the end, although I know most of you think that winning isn't everything, but losing is NOTHING. Fun was had, laughs were shared, and we enjoyed each others company in yet another lovely Laybacker Lounging sort of way. Lay back and take it easy... a great motto for our club!

One of the best things I've seen in a Pointscore for years was the very first Legends heat. What a treat it was to see our more mature members out there soaking up the surf and the vibe... and especially Dave Milnes, our intrepid, utterly dependable, always there, great friend and photographer – up and attem on his wave of the heat, and coming out with that stoked smile on his face we all know so well! Brian Da Bull was there too, as well as Youngy, thank you you Legends!

And right up there with the Legends heat was the Laybacker family affair that was on show again on the day. We have had periods of time over the last 20 years or so where we've seen small Laybackers (with their watchful Laybacker parents) grow up into much bigger Laybackers (with their visibly older and more blasé, or worn out, Laybacker parents) carving up the waves.

#### LAYBACK BOARD RIDERS

We had 'waves' of this, Scotty's kids, Hendo's, Billy's, mine, and of course the famous Farago boys going from groms to youfs doing blasting turns, and the Nappers – Kev and Julie original Laybackers, Jarret going from trouble making kid and youf, to now wrestling his and Sian's new Laybackerettes, the Wilson's three generations of surfers at every Pointscore, and now Phoebe and Rhys and their Laybackerette. The March Pointscore was a real treat to see this next family wave of Laybackers making the day even more special.

And Groms are our future, just look at Jarrett!? Or maybe not right now... We had our new Grom member Sofia Dawson (welcome!), Nappers Molly, Pippa, and Elsie, Oscar Wilson, Albie Cashin, and the biggest of them all – Callan Oaten, both at the beach riding the foamies, and out the back taking off on the waves as they rose..

At Andrew Wilson's (our Heat Draw Guru) suggestion we have instigated a Laybacker of the month award, where one of our members is rewarded for their commitment to the running of the day, or extra special act of Layback friendship, or great surfing, or many other possible unselfish acts that make our club so special. We will announce that person at the start of each Pointscore for the previous month, and they will receive a gift from one of our sponsors. The February Laybacker of the month was Garry Hoban – thank you Garry!

Next Sunday is our Club Championships – 6 Divisions, A, B, C, Ladies, Groms, and O60s. We've been getting the awards ready for all the lucky winners, organising the food, drinks, and the competition draw. It is effectively a one day competition, with heats, semis, and a final in each of the divisions (depending on numbers), with a presentation at the end of the day to all the finalists. It's always been a lot of fun, and with any luck we'll get some contestable waves to give you all a chance to shine, have fun, and share the stoke!

See you there for the 6am set up, sorting everyone into their divsions, and a 7 am start in the water...

Come and be a Laybacker, and Layback and take it easy!

Andy

## TREASURER'S MESSAGE

# How the committee is using membership fees and giving back to members

Since COVID, the committee has reduced membership fees and have managed to keep them lower. At a time of high inflation and ever increasing costs, a Laybacks membership for a year of surfing Pointscores, Club Champs etc.. is similar to the cost of a one off surf comp entry fee.

Over the same time, we have provided free catering at Pointscores, supplied end of day drinks, offered various free social and subsidised club events (including: last years Bendalong weekend, Seeker catch up, Pizza and movie night, Beer appreciation afternoon, another cracker of a Presentation night, etc...). Funds have also been reinvested into the clubs aging but essential equipment including: replacing marquee awnings, a new PA system, and the new club trailer.

Separate to your membership fees, the committee fund raises with raffles to save up and support the establishment of an emergency insurance account to protect the club from any unexpected financial shock now and into the future.

After selling the old trailer our general account is looking healthy and the committee is already looking at what equipment needs replacing / upgrading in 2024. We also remain committed to free catering at Pointscores for another year, and are planning this years first social event - the Bendalong Weekend away. With plenty more planned for the year ahead, we will continue to share how the committee is using membership fees and giving back to members at the morning Pointscore huddles and in the newsletters.

### Be a part of the Committee

Our current Social Committee member, Donna Brown, is on some kind of top secret mission overseas from May 5 till sometime in September. We are in need of a stand-in to help organise the social events the club puts on over that time. You will be in charge of helping out with weekend events, catch-ups with our great sponsors and helping with the end of year club events, parties and the presentation night.

Meetings are at Bellambi Pub, once a month (usually a Wednesday night).

#### **COMMUNITY NOTICE**

Jody Wentworth Perry (Mrs Darcy) and I are regular blood donors. We were recently at the blood bank in Wollongong, we noticed that they were looking for ways to promote the service and increase the donation rate by using community groups.

You may be aware there are several Layback members who donate. We are in a donation group with the blood bank.

I picked up some promotional material see pic attached. Scanning the QR code will give lots of info and a link to making an appointment if people are interested.

As we have new members it would be good to highlight this is something the Club is involved in (if only a few people at the moment) and bring awareness to what such a simple action by one person can do for so many.
